Intersec Buenos Aires is coming: what will be seen in the most important exhibition of the sector

From August 24 to 26, Intersec Buenos Aires will be carried out in La Rural Trade Center in Buenos Aires. It is jointly organized by Messe Frankfurt Argentina, the Argentine Chamber of Electronic Security (CASEL), and the Argentine Chamber of Safety (CAS).

For three days, all the players of the integral security in the country will meet again at the International Trade Fair for Commercial and Information Security, Fire Protection and Safety. News, trends, live demos, conferences and academic activities will fill the spaces of La Rural Trade Center, both inside and outside.

On one hand, both CAS and CASEL will offer an extensive program of seminars and conferences in which security specialists will present their knowledge and experiences. In addition, the exhibitors will have their conference space where they will speak about their experience, introduce new products and carry out demos of use.

In parallel, the Argentine Ergonomics Association (ADEA) will hold the **4th National Ergonomics Congress**, with the latest trends in this discipline. Some of the topics that will be developed are:

- Ergonomics and gender
- Ergonomics and disability
- Ergonomics and design
- Laws and regulations in ergonomics
- Ergonomics and personal protection items

As for the outside of the venue, there will be a demo area where different companies will display their products and perform live drills. In addition, the **Federal Council of Volunteer Firefighters** will carry out, together with the first aid department, vehicle rescue demos and search and rescue exercises with the canine rescue brigade.

Those who are interested can register in the website <https://intersec-buenos-aires.ar.messefrankfurt.com/buenos-aires/es/accreditacion.html>. There they must complete a form with their data and, once the process is finished, they will receive a confirmation that they must submit at the entrance of the exhibition, together with the ID. Registration can also be
