## Intersec Buenos Aires 2026 begins to prepare a new edition

**Buenos Aires, August 2025.- Intersec Buenos Aires, the only comprehensive security event in Argentina and the most relevant in South America, began its commercialization stage. Organized by Messe Frankfurt Argentina together with CAS and CASEL, the exhibition will be held from September 2 to 4, 2026 at La Rural Predio Ferial de Buenos Aires, with an estimated area of 13,000 m<sup>2</sup>.**

Intersec Buenos Aires 2026 will be an unmissable event for those who are interested in learning about the latest developments in the **Fire, Security & Safety** sector. Leaders from the entire value chain of the sector will meet there, so it will be an ideal space to generate new alliances, acquire strategic contacts and close deals.

The meeting will bring together the main players in the industry, offering an environment conducive to professional updating, exchange and the development of new business links.

In an increasingly dynamic global context, where AI, automation and predictive technologies are redefining prevention standards, Intersec Buenos Aires 2026 is emerging as a unique opportunity to access emerging trends, present innovative developments and position brands as an active part of the future of comprehensive security in Argentina and the region.

In the 2024 edition, 120 exhibitors representing more than 180 brands participated, with halls and auditoriums full. 92% of visitors said they had met the objectives of their visit and 99% expressed their intention to return in 2026.

With an industry in constant evolution, Intersec Buenos Aires is consolidated as a reference area to give visibility to innovations and trends in the sector.

Those who wish to join as exhibitors of the 2026 edition should contact the commercial team: Laura Fredes – [laura.fredes@argentina.messefrankfurt.com](mailto:laura.fredes@argentina.messefrankfurt.com)
